

Rödl & Partner

SPOTLIGHT VAT
WEBINAR SERIES

Global View on VAT Issues

FOCUS

on VAT Fellows

YOUR GLOBAL VAT EXPERTS

Our experts at Rödl & Partner support companies of all sectors and sizes in all VAT-related issues and tax audits. Our **“International VAT Group”** consisting of experienced VAT experts – your “VAT Fellows” – combines local knowledge with global perspective. Through regular exchange on the most important topics and best practices, we provide practical advice to manage complex VAT issues in a reliable, efficient and compliant manner.

BENEFITS AT A GLANCE

- 70 VAT experts from around 50 countries
- Regular professional, mandate and project-related exchange
- Goal: ensuring excellence in international (VAT) tax consulting
- Result: highest quality of advice, in particular for cross-border issues relating to foreign VAT law

COMBINED EXPERTISE

We have combined our expertise to offer you **deeper and quick insights into global VAT issues**. Join our live webinar series “International Expert Roundtable – Spotlight VAT” for free, benefit from first-hand knowledge, and engage with our international VAT specialists.

A GLOBAL VIEW ON VAT ISSUES

“International Expert Roundtable – Spotlight VAT” is a live webinar series dedicated to exploring key VAT topics. Our panel of experts will guide you through the latest issues, trends, and strategies, offering valuable knowledge to help navigate the ever-evolving VAT landscape.

IN THE SPOTLIGHT

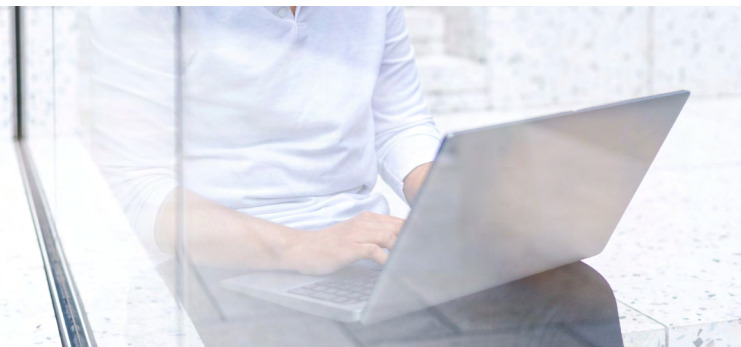

- Global perspectives on the latest VAT issues
- New legislative changes and their impact
- VAT best practices, challenges and opportunities
- Practical solutions and IT innovations to ensure VAT compliance

WHERE AND WHEN?

Your favorite place, wherever you want. Benefit from the first-hand know-how of our colleagues and take the opportunity to talk to our international experts online.
