FINANCIAL ACCOUNTING AND REPORTING

Are you ready to revolutionize your financial management? Look no further! At our firm, we offer a comprehensive suite of services designed to streamline your financial processes and elevate your business. Here's what we bring to the table:

Our services

Digital, Paperless Financial Accounting

Say goodbye to stacks of paperwork! Our cutting-edge digital accounting solutions ensure efficiency, accuracy, and environmental sustainability.

Tailored Bookkeeping Services

Whether you're a startup, a multinational corporation, or anything in between, our bookkeeping services are customized to fit your unique corporate structure. We handle the numbers so you can focus on growth.

Monthly Closing Package

Keep your financial records up-to-date with our seamless monthly closing package. Timely reconciliations, accurate statements, and peace of mind—all in one bundle. We handle the numbers so you can focus on growth.

Tailor-Made Analyses and Reportings

Our experts can dive deep into your financial data, providing insights aligned with International Financial Reporting Standards (IFRS) and the German Commercial Code (HGB). Let data drive your decisions!

Annual Financial Statements

Trust us to prepare meticulous annual financial statements that comply with regulations and showcase your financial health. Transparency is our priority.

Customized Financial Reports

We create bespoke financial reports that cater to your specific needs. Understand your financial performance at a glance.

E-Balance Sheets Made Easy

We handle the nitty-gritty of e-balance sheets, ensuring accurate submissions to local authorities. Compliance has never been this hassle-free.

Corporate Management Support

Availability for Annual and Monthly Closing Meeting with Corporate Management, being able to explain the particularities of Brazilian Accounting, Tax and Labor Regulations fluently in various languages such as English, German and Italian.

FINANCIAL SERVICES

Are you tired of navigating complex financial processes? Look no further! Our team specializes in providing seamless solutions that empower your business. Here's how we can transform your financial landscape:

Our services

Processing of Payment Transactions

Say goodbye to manual payment handling! Our streamlined system ensures swift and accurate processing of all your financial transactions. No more delays or headaches.

Cash and Bank Account Management

Keep your cash flow in check! Our experts optimize your cash and bank accounts, ensuring liquidity and minimizing risk. Say hello to efficient fund management.

Custom Sub-Process Solutions

We understand that managing creditors and debtors can be challenging. That's why we offer specialized solutions tailored to these critical sub-processes. Let us simplify your financial relationships.

Travel Expenses Made Easy

Keep your cash flow in check! Our experts optimize your cash and bank accounts, ensuring liquidity and minimizing risk. Say hello to efficient fund management.

PAYROLL ACCOUNTING

Are you ready to transform your payroll management? Look no further! Our tailored solutions empower your organization, ensuring seamless processes and compliance. Here's how we can elevate your Payroll game:

Our services

Payroll Calculations

Say goodbye to payroll headaches! Our precise calculations ensure accurate and timely employee compensation. From salaries to deductions, we've got you covered.

Customized HR Reporting

Generic reports won't cut it. Our specialists are ready to understand your needs and deliver the information you need.

Standard HR Reporting

Our standardized reports provide monthly visibility into every facet of your payroll.

Employee Master Data Maintenance

Keep your employee records up-to-date! We manage the nitty-gritty details-names, positions, employment history, and more. Accurate data ensures smooth HR processes.

Benefits Management

Keep your cash flow in check! Our experts optimize your cash and bank accounts, ensuring liquidity and minimizing risk. Say hello to efficient fund management.

Payroll Declarations

Compliance is our priority. We prepare and submit all necessary declarations related to payroll to local authorities. Hassle-free and error-proof.

TAX RETURNS

Are you ready to navigate the intricate world of taxation? Look no further! Our tailored services cover every aspect of your financial journey. Here's what we bring to the table:

Our services

Value Added Tax (VAT)

The VAT system has the potential to significantly boost government revenue. However, managing excess input credits and ensuring proper refunds can be challenging. We ensure all support you need to be in compliance and efficient practices.

Annual Financial Statements and Tax Returns:

Trust us to prepare meticulous annual financial statements that comply with regulations. Our tax return services ensure accuracy and timely submissions.

Tax Return Support

Navigating tax returns can be daunting. We provide comprehensive support, ensuring compliance and minimizing risks.

Tax Return Assistance

Facing a tax audit? Our team stands by your side, offering guidance and expertise throughout the process.

Tax Compliance Management

Compliance is non-negotiable. We manage the intricacies, so you can focus on your core business.

Net Income Calculations

Understand your financial health with precise net income calculations. We crunch the numbers, leaving no room for error.

Due Tax Declarations

Compliance extends to local authorities. We prepare and submit all necessary tax declarations promptly.

OTHER BPO SERVICES

Are you ready to elevate your business processes? Look no further! Our suite of BPO services is designed to enhance efficiency and drive growth. Here's what we offer:

Our services

Optimization of Internal Processes

Streamline your operations! We analyze your existing processes and fine-tune them for maximum efficiency. Say goodbye to bottlenecks and hello to seamless workflows.

Customized Reporting

We create bespoke reports tailored to your unique needs. Whether it's financial data, performance metrics, or compliance summaries, we've got you covered.

Audit Support

Navigating audits can be daunting. Our experts provide comprehensive audit support, ensuring compliance and minimizing risks. Let us be your trusted partner during critical assessments.

ERP Implementation Support

Implementing an ERP system? We're here to guide you. From planning to execution, our support ensures a smooth transition. Get the most out of your technology investment.

Review of Declarations

Accuracy matters! Our team meticulously reviews declarations, ensuring they align with regulations and industry standards. Stay ahead of the curve with our thorough assessments.
